The *Registro Touring Superleggera* visits Munich the Bavarian Capital from October 5- 8 2023.

Explore the Cultural & Technical Highlights of Bavaria through the Prealps & Munich

We are excited to announce the next **“Registro Touring Superleggera Meeting”** in Bavaria, Germany. Welcoming BMW's invitation, a meeting has been organized which will visit the beauties of Bavaria and Munich.

Throughout history Touring Superleggera has had a very deep relationship with BMW, the Historic Relation went so far and deep, that the Carozzeria Touring was requested by BMW to provide the Superleggera Coach-Body, for the BMW 328.

In 1940 the BMW 328 could win the Mille Miglia with the famous Touring Superleggera bodywork – a sensation. In the 80s BMW asked Mr. Carlo Felice Bianchi Anderloni and the famous designer Ercole Spada, to support the reconstruction of the famous BMW 328 car, which was lost and now is on display in the BMW Museum.

We will also visit HK - Engineering one of the most important restoration companies of the world of the famous Mercedes 300 SL Gullwing and Roadsters.

HK ENGINEERING located in an unique place, the historic Monastery Polling, brings back to life the cars that represents the birth of the initials SL (Sport Light) which still lives today and gives prestige to the Mercedes brand.

The typical Bavarian gastronomic specialties and the Bavarian Beer will surround our days. The rally will let us experience unforgettable moments together with our beloved cars.
